Atlantis University/Vet-Power	A program that offers a 6 month certification program that offers certification in Microsoft, COMPTIA, A+, N+, S+, and soft skills. Right now the program is only offered in Miami, FL but they expect to expand.	To apply and get any additional information you need to call Shannon Jernigan at 915-727-2075. He is a really nice man that is really enthusiastic about helping out veterans, so he can lay out the whole process for the veteran. The starting dates for the program for this year are: May 6, July 1, Oct 28 & Dec 28.	The program though is willing to look for money to pay for the veterans stay in Miami along with their families. The GI Bill will cover the tuition. Anything else that the veteran needs during their stay in the program the school will work with the	http://www.vet-power.org/gateway-to-education.html
Veterans Technology Program	Certifications for Career Skills for global enterprises; microsoft office fundamentals, applied education, applied practicum	There is an online application, they are online classes that can be take from 6 to 16 weeks. Then a certification test must be taken. Syracuse University will help give you tools to find employment	Free of charge to the qualified veterans post 9/11. No need for the GI Bill.	http://get-vet.syr.edu/
SAP - Veterans to Work	Trains in 3 fields: Database & Technology, Business Analytics and Mobility	Submit online application, actual training program, certification test and help with placement.	Program is free for the veteran. Must be transitioning from military service in the past 90 days and have honorable discharge; preference to a person with technology and IT	www.sap.com/veteranstowork
Six Sigma	Its an online training and certification program that teaches management and leadership skills as well as improvement tools and concepts, like Lean Practices, Quality Tools, Applied Diagnostic Methods, Power Thinking, Statistical Process Control.	The application is on the website.	They have a program that will help out veterans with scholarship money to complete the program. The program is 160 hours total. Since you can go at your own pace, it will take however long it takes you to complete the 160 hours. How that works is the veteran pays \$147 a month for however long they are in the program plus \$100 for the certification test. Unfortunately a veteran can not use the GI Bill to pay	http://www.123contactform.com/form-490363/Scholarship-Application-Form
